

My default LaTeX config for homework

```
%The preamble of a document
\documentclass[11pt]{article}
\usepackage[utf8]{inputenc}
\usepackage[english]{babel}
\usepackage{graphicx, type1cm, lettrine, geometry, color, soul, xcolor}
\geometry{a4paper, left=20mm, right=20mm, top=10mm}

%Adding a title, author and date
\title{}
\author{}
\date{\textit{, the  $^{\{ \}}$  of }}

%The body of a document
\begin{document}
\maketitle
\par\rule{\textwidth}{1pt}
\tableofcontents

%Convenient sections*
\section*{}
\subsection*{}
\subsubsection*{}

%Ending the document
\end{document}
```
